

# CALL FOR PAPERS

## **5<sup>th</sup> International Symposium on “Challenges of Blue Nile River Basin and Mitigation Approaches”**

**On 28th and 29th of April 2018.**

### **I. Challenges of Emerging Water Hyacinth on Lake Tana Basin**

- Biology and ecology of water hyacinth
- Water hyacinth, erosion and sedimentation etc.
- Experience on the control and management of water hyacinth
- water hyacinth controlling options

### **II. Agricultural water productivity**

- Ways for enhancing agricultural water productivity
- Agricultural water potential and use
- Low cost irrigation management technologies

### **General information**

- ❖ Submission deadline of the abstract: 20, February, 2018
- ❖ Acceptance notification: 15, March, 2018
- ❖ Submission deadline for extended abstract: 22, March, 2018

Phone +251911086390

### **III. Water Governance**

- Trans boundary water resource governance and management
- Water Policy Harmonization in the Nile basin
- The status of Nile cooperation

### **IV. Water resource and hydrology**

- Climate change and variability: impacts and adaptation
- Conjunctive use of ground and surface water resources.
- Sediment Problems in Nile Basin
- Water pollution

❖ All submissions should be made via email to [bnwi2012@gmail.com](mailto:bnwi2012@gmail.com) or [asegdew19@gmail.com](mailto:asegdew19@gmail.com)

Further information is available on our website [www.bdu.edu.et/bnwi](http://www.bdu.edu.et/bnwi)
