

Technical Advisory Committee for Blue Nile Water Institute of Bahir Dar University

We are pleased to extend our warmest congratulations and welcome you as a valued member of the Technical Advisory Committee for Blue Nile Water Institute of Bahir Dar University as of 01 Feb. 2024 for 03 years. The institute aspires to become the Center of Excellence in water related research and development in the East African Region. Your expertise and experience will be a valuable addition to our team, and we are confident that your contributions will significantly enhance our research, model practice, training and technology transfer efforts towards effective and sustainable management of water and environment.
