

Seminar

Topic: Artificial Intelligence(AI)-a boon or bane for humanity?

Date: 29nd Nov 2024, 2.00 pm (8.00 am local time)

DR. D. K. N. RAO
Professor, Mechanical Design

Academic Qualifications

- **Ph.D.** *Design Engineering*, Indian Institute of Technology Bombay. 1997-2000.
- **M.E.** *Engineering Design*, College of Engineering, Guindy, Madras, University of Madras, 1977-79.
- **B.Tech.** *Mechanical Engineering*, College of Engineering, Kakinada, JNTU, 1972-77.

Experience:

- Industry: 5 yrs; Teaching: 40+ yrs

Ph.Ds. Guided-2

Research areas:

- Stress concentration problems in composites.
- Development and characterization of polymer composites

Publications: 15 International Journals; 5 International Conferences.
